'TIS THE SEASON

NO MATTER WHAT HOLIDAY YOU CELEBRATE, THE ENTIRE VMCCA MEMBERSHIP WISHES THE ENTIRE VMCCA MEMBERSHIP A HAPPY HOLIDAY SEASON AND A PEACEFUL AND PROSPEROUS NEW YEAR!

We are quickly entering into the Holiday season. As I was beginning to write a personal message to all of you wishing you a Happy Holiday, it occurred to me that this message should be from every member to every member. Think of it as one Holiday greeting to a couple thousand of your closest friends

Our members celebrate holidays in many different meaningful ways based on their beliefs, traditions, and practices. Setting all celebration differences aside, we have many shared common desires. One of them is, that we wish each other happiness.

Our Holiday season will likely be different than ever before. One of human's basic and precious needs is face to face and eye to eye contact. Having a Happy Holiday this season will require the use of technology that most of us had never known about or used before. For some of us our desire to be in contact with our loved ones has overcome our reluctance or fear of using these technologies. We will do what we have to do to create a Happy Holiday. Good for us!

A Peaceful and Prosperous New Year. Peace and Prosperity can be also be measured in many ways. What ever measurement you use, our entire membership wishes peace and prosperity for each other.

Happy Holidays
