THE VMCCA FOUNDATION NEEDS YOU!

The VMCCA Foundation was established to provide scholarships for member's children and grandchildren. In order to award these scholarships, we need your help. In four years, we have awarded (83) \$1,500 scholarships. Thanks to the generosity of members, chapters, regions and tours, the Foundation has raised \$124,500. This has benefited students from all areas of the United States.

Is it time to sell a car?

This would be a great way to contribute by sharing part of the proceeds. There comes a time when we all need to "thin the herd."

Any questions can be answered by visiting the VMCCA Foundation website. Please mail your donations to

VMCCA Foundation

Region and Chapter Newsletters
Articles of Interest

The article below appears in the January Edition of the Sequim Valley Car Club's "Touring Talk" newsletter. The ideas and

suggestions are valuable to many of our readers. As I read it, I thought that the points will also be important if you were buying a car. You would want all of these points to be in order to be assured there will be few, if any, concerns with the purchase and transfer of ownership.

January Touring Talk 2025 Page 4

Article submitted by Mike Nannenhorn:

As a few of you may know, I have been helping with local families selling vehicles after a family member has passed away. I have sold many vehicles in the past, both locally and nationally. These vehicles have been sold through local advertising, national advertising, auction houses and online auctions. I have learned many valuable lessons lately in selling vehicles for other people. I would like to pass on some of the things I have learned so that in the future, if a family member is put in the position of selling their vehicles, they will know what to do. This is information I have learned that is important to make selling a vehicle as seamless as possible and most importantly, achieving the highest price possible for the vehicle.

- Firstly, document all the information you can for each vehicle. Keep a separate file for each vehicle you own with every bit of information you might have on that it. Write a history of each of your vehicles with information such as VIN, license number and when the vehicle was purchased by you. Also, who may have owned the vehicle before you, where the vehicle came from and any chain of ownership that you know of. Is the original window sticker or original sales contract available? Are the owner's manuals present? Any and all invoices for service work performed. If the vehicle has been restored or customized, the names and information of anyone who may have done work on the vehicle. Invoices for the work performed. The dates when the restoration or customization was performed. The history and documentation makes a world of difference when selling a vehicle, such mundane things as where the vehicle been stored, or if inside, was it climate controlled.
- MAKE SURE THE VIN ON THE TITLE MATCHES THE VIN ON THE VEHICLE. This is very important. Believe it or not I have had vehicles sold only to find out the VIN on the title didn't match the VIN on the vehicle. This is a big problem. Correct this before it turns into someone else's problem. It is very hard to correct if the vehicle owner is not available during this process. Document on each of your classic vehicles where the VIN is located on the vehicle whether it is stamped on a frame rail or has a VIN plate attached. Be sure that the title, registration and insurance information is readily available.
- If the vehicle has a kill switch or battery cut-off, make note of their location. If there is a special starting procedure to start

the vehicle, document the steps involved in starting it. Is the vehicle drivable, or are any precautions or work needed before the vehicle is operational?

- If the vehicle is a more modern vehicle, make sure all VIN labels, smog and emission labels are attached as they were when the vehicle left the factory. This is very important if the vehicle is relocated to a state where smog checks are performed. Also, on this subject, make sure all Original Equipment Manufacturer (OEM) factory smog devices are still present on the vehicle.
- If there are spare parts, tool kits and maintenance items for the vehicle, mark and organize them so they can be identified easily as to which of your vehicles they belong to. Are there extra items such as car covers that should go with the vehicle?

This is your vehicle, your pride and joy. No one knows your vehicles like you do. This is a great winter project to work on during these rainy days.

Documenting all the information listed above may bring back good memories of times spent with your vehicles. The joys of motoring....

Defiance Chapter Meeting & Meal

Sunday, October 20th, 2024

Text & Photos by Dave Plassman

Cooler temperatures and shorter days did not deter Defiance Chapter members from attending the October Meeting & Meal at Ken & Karen Wiechers which also included a cruise to Herb Huddle's Museum.

- 1 Herb in his Museum with his 1949 Ford. Herb's 1st car as a high school graduate was a '49 Ford Coupe, very similar to this one. Herb turned 94 yrs. 3 days after our tour of his collection. Herb joined us for dinner at Ken & Karen Wiechers.
- 2 Herb's Jeep and International Harvester Collection.
- 3 Ladies left to right: Mary Wetli, Fran Barney, Leslie King, and Wilma Kennedy in Herb's Museum. Herb's International Harvester tractor collection in background.
- 4 Car's outside Herb's Museum: Larry & Barb Florke's 1971 Cadillac Sedan DeVille, Doug & Wilma Kennedy's 1964 Corvair, Jim & Fran Barney's 1957 Ford Skyliner.

Vehicles on display at the Pontiac Transportation Museum

Opened to the public in 2024, the new Pontiac Transportation Museum, located in a re-purposed former elementary school in Pontiac, Michigan, tells the story of the variety of vehicles made in the city of Pontiac -- not just the ones that carried the General Motors brand of the same name. It is the first new attraction to open in the MotorCities National Heritage Area in many years. The Pontiac Transportation Museum's logo

RUMBLESEAT CHATTER

Official Newsletter of the Fredericksburg Vintage Car Club

January 2025

2025 Kick-off Tour is Friday, January 24

Join us at 9:15 a.m. at the Fredericksburg Convention and Visitor Bureau parking lot (302 E. Austin Street) where we will depart at 9:45 a.m. for a driving tour of Fredericksburg, borrowing some of the tour route that was used during the 2023 VMCCA Chrome Glidden Tour that we hosted. Following the driving tour, we will tour St. Mary's Catholic Church. This is a prelude for the Painted Churches Tour in April as this church is also a "painted church." Afterwards, we will go to the Pioneer Memorial Library for a short tour of the historic building and then have a late lunch at Campo Azul Mexican Grill and Bar. Sign up at the January 7 meeting, or RSVP to Liz Lindig at elindig70@gmail.com.

2025 Texoma Tour is April 9-12

A three-night tour to visit the Painted Churches of Texas is being planned, leaving on Wednesday, April 9, and returning on Saturday, April 12. These churches, featuring elegant exteriors and colorful murals and symbols on the interior, were built by 19th-century immigrants who wanted to preserve their culture and values. Participants will stay in Schulenburg. Sign-ups begin in January.

50th Anniversary of the End of the Vietnam War

The Veterans Council of Gillespie County, Veterans of Foreign Wars Post 7105, and Fredericksburg's three Rotary Clubs are teaming up to host a four-day event, May 1-4, honoring the 50th anniversary of the ending of the Vietnam War. Our club has been asked to display some of our cars on Saturday, May 3, during the Airport Open House. More details to come.

The VMCCA Page on Facebook!

Facebook has become an extremely popular social networking site, reportedly having more than 10.0 billion users. That is something like 45% of people on the planet! There is no doubt that it is a great tool for keeping in touch with people and organizations in a way that was undreamed of and impossible just a few years ago.

Our Facebook page is becoming more and more popular. It really is becoming a forum with many active contributors.

So join! Contribute! Make it a forum for all things VMCCA.
