## The View From My Side Of The Road

Five major tours have taken place this "tour season." These tours are ones we advertise here and on our [VMCCA Website](#). There are five more advertised in both locations. There are other Region and Chapter tours planned all across our country. Many tours and gatherings are held monthly in our Chapters. Some don't plan tours in the warmer months because it is too hot. Others don't plan tours in the cooler months because it is too cold.

Here is the deal. We all want to drive our cars as often as possible with the people we enjoy being with! Lets get the cars out and enjoy every season.

**[Visit the VMCCA Website Here](#)**

Stay healthy, my friends, so we can enjoy 2022 and the future together!

## Reminders and Announcements

### Caution when making purchases

Our VMCCA Facebook page is filled with photographs and links from our members and other vintage car enthusiasts. Ninety nine percent or more of the time these posts are interesting, appreciated, and acceptable to our Facebook visitors. Denny Holland, our Facebook administrator, monitors the postings on a frequent basis. Denny makes decisions about the content and purpose of postings. Generally speaking, if it is of interest to vintage car enthusiasts, supports our hobby, and may lead a visitor to becoming a member, the posting is approved.

Two weeks ago there were postings on the VMCCA Facebook page for clothing items and other merchandise that were not VMCCA merchandise. While the clothing items were car related, they did not fit our criteria. Those posts have been removed.

As a reminder, Official VMCCA merchandise is inventoried and sold only by Marilyn Talbot. As a precaution, please do not submit any personal information, especially your purchasing card numbers, to anyone except a known source.

## Member's cars and their stories

I am often looking for stories about our member's cars. The past two editions of the Touring Chronicle have contained small stories about member's cars. This month's edition features a story that was published in the Mid-Atlantic's newsletter in January. There are great stories like this featured in many of our Region and Chapter newsletters. I will be separating one and featuring it on a regular basis in this new column. Please don't hesitate to suggest a story about your car or another member's car.

### A Long Search For *THE CAR*

Paul Kron

I first saw the car in 1952 on Delaware Ave. in Buffalo, N.Y. It was at the pumps in a Texaco gas station. I approached the owner of the station to obtain the name and address of the vehicle owner. All I could learn from him was that the car was from Clarence, N.Y. I had my father take me to Clarence to a Texaco station on the main street so I could inquire about the car. The station owner said he was not aware of such a vehicle. My conclusion was that the owner of the car only used the Texaco in Buffalo and must have a different garage in this area

### A Boy Who Loves Cars

The wonderful story of a boy named Anthony who has a fascination for cars. Anthony lives in Woodinville, Washington, and his love of cars is extraordinary, as is he. This story and video is courtesy of Eric Johnson and KOMO News in Seattle.

**HISTORY**

New Jersey played a central and critical role, during the Revolutionary War. In fact, George Washington and his armies spent over a third of their time here. Nearly three hundred engagements occurred in New Jersey; more than the combined total of clashes, within all the remaining American colonies.

#### LOCATION

New Jersey was centrally located among the thirteen colonies, which provided many transportation modes, between New York and Philadelphia. We'll explore its impact upon the Revolutionary War, its historical battlefields, the surrounding towns and the resulting challenges to Colonial America and its people.

#### SCENERY

New Jersey's natural beauty is frequently overlooked, because of its congested freeways and factories. Come join us as we explore New Jersey's "Revolutionary Road". We'll experience the great beauty of New Jersey's scenic highways and of the many covered bridges, barns and stone homes that can be found across the Delaware River, in beautiful Bucks County Pennsylvania.

#### ADVENTURE

Come join us as we explore Revolutionary War battlefields and other significant locations that helped secure America's independence from British occupation.

Come explore the Princeton and Monmouth Battlefields of the Revolutionary War. Learn about the contributions of their heroes and of other significant events and locations that helped win the American war of independence. We'll visit Sandy Hook so that you can dip your toe in the famous "Jersey Shore" and view the NY Skyline.

Fun and adventure await you as you join us, during this prestigious antique car tour. We'll visit Revolutionary War battlefields and other significant locations that contributed toward America's freedom from British rule.

## Backroads Drive to Berea - July 9, 2022

Bill and Jane Johnson have planned a scenic drive to the unique town of Berea, KY. Bill says many of the lesser-traveled roads we'll use are barely more than one lane wide, so we'll take our time and appreciate the sights along the way.

We'll meet at Jacobson Park, 4001 Athens Boonesboro Road, Lexington, KY 40509. Please be there by 9:30 AM. We'll cross the Kentucky River and head through Madison County, winding up at Papadeno's Restaurant in Berea's historic district. After lunch we'll take a different route over more backroads, for the journey home.

Please contact Bill at [bill@whjco.com](mailto:bill@whjco.com) by July 7 so he can print enough sets of tour directions and advise the restaurant of how many to expect. See you on July 9!

## Area Tours

As you're reading this, several fine tours are going on within Kentucky Region neighborhoods. The Central Nickel Age Touring Club's "Just an Ole' Fashioned Car Tour" wraps up on June 10. The 1 & 2 Cylinder Tour, "Planes, Trains, and Automobiles," is June 12-17. We'll look forward to pictures and reports from them in the next "Touring Times."

The Great Lakes Region tour, "Off the Highways In Ohio," is up the road in Defiance, OHIO, July 31-August 4. The Grand Indiana Tour, "The Buckeye Tour," is in Perrysburg, OH, just outside Toledo, from August 1-4. The National VMCCA Heritage Tour, "Ohio: The Mother of Presidents," will be in Cincinnati October 16-20. Details for all three are on VMCCA's web site, [www.VMCCA.org](http://www.VMCCA.org).

## Flowers and Rocks Tour - Not So Many Flowers, Lots of Rocks...

It's a good thing the prickly pear cactus were blooming; they were just about the only flowers to be seen on Willow City Loop during the tour!

Left, the (mostly) older cars, and right, the (mostly) newer vehicles on the tour.

...but another great FVCC tour! Despite predictions of heavy rain and dark skies the morning of May 5, a hard core group of FVCC members were not deterred, and took part in Greg and Cathy Rising's "Flowers and Rocks" Tour. The threat of rain prompted some to leave their vintage vehicles home and drive modern ones instead, while others took a chance with their vintage cars.

The tour started with a drive out Texas Highway 16 and into Willow City and the Willow City Loop. Though the intent was to observe the wildflowers that are usually found on the loop, the only flowers to be seen were the yellow blooms on prickly pear cactus all along the loop. The Risings offered a Gold Star for

counting the boots stuck on fence posts at one ranch on the loop, but nobody admitted to actually counting them.

From the loop, the tour headed north on Highway 16 again, then took Highway 965 back south to Enchanted Rock State Natural Area. Stopping first at the ranger station to pay the access fee, the group then went back north a short distance to the pavilion for a picnic lunch. It took a while for everyone to pay their fees, but eventually, all were gathered at the pavilion... all, that is, except Brenda Clark. Where could she be? Did Russell leave her at the Ranger Station? As usual, it was all but impossible to get a straight answer from Russell!
