### 2024 National Awards Update

A new annual award to honor Bill Preston has been added to our list. Many of you know Bill from his participation and hosting many VMCCA tours and events. Others may know Bill from his participation and hosting in other vintage car organization's and events. Bill was an active member and avid collector, especially pre-WWII. Bill's close and long time friends, Jim and Ginger Cohen, have

generously established this recognition to be awarded annually to the Outstanding National Tour Director.

### **Civilian Soldiers One and All**

By Duane Copley

I never fired a rifle for my country, I heard the farmer say  
I planted corn and oats and wheat and milked three times a day.  
Most never gave us credit for all we went and done  
Without the food and clothes and ships the war could not be won.

Our mothers sewed their uniforms and put soles upon their boots  
Our aunt was "bucking" rivets while brothers learned to salute.  
The wars were fought in other towns, so very far away  
The tools we used to fight that war were "made in USA".

The veteran sets the standard by which we all should live  
They put their country first and some their lives did give.  
Let's not forget the workers who toiled in the night  
Making ships and tanks and guns so they could go and fight.

No country in this wide wide world could do just what was done  
We sent our brightest off to war our uncles dads and sons.  
We built their tanks and boats and planes and gave them lots to eat.  
We kept them warm with lots of clothes and tents for them to sleep.

Let's not forget the farmer who toiled every day  
Let's not forget the welders and riveters who also had to stay  
Those working moms and teachers and truckers of the night  
Our great friends and our neighbors who helped us win the fight.

These folks were all just soldiers doing what they could  
No chevrons on their soiled sleeves but soldiers just as good.  
They never fired a cannon or piloted a tank  
They supplied our boys and girls in war and for this there is no rank.

The 1970s offered rock and roll on wheels with the coolest and greatest looking customized American vans on the city streets and highways across America. During the 1970s when people were listening to popular hits like the married duo Captain & Tennille's "Love Will Keep Us Together," they were driving their colorful customized vans.

The 1970s brought change with both music and transportation. Interest in vans was driven by the younger generation. Some vans of the era offered pinstriping with colorful rainbow color graphics. Others reflected pop culture, including the movie "Star Wars," one of

Hello, and thanks to those who were able to attend our April meeting at the Idaho Falls Library. We had a good discussion on the upcoming car show and swap meet and the Chrome in the Dome results. On April 20<sup>th</sup> the club members toured the exhibit at the Idaho Falls Museum and then met at the 60<sup>th</sup> Wedding Anniversary for Lou and Carol Rounds at the Eagle's home to congratulate the couple and eat lunch. Many of the Rounds' friends attended including several club members. Hope to see you at the May meeting and at the May Market Lake cleanup.

Thanks,

## Scavenger Hunt and Spring Picnic set for May Tour

**T**his year's tour and picnic will be on **Saturday, May 11th**. You may remember that almost three years ago we ran a scavenger hunt in Kerrville and met for the annual picnic at the Rising's house. Well, that went so well we decided to recreate the event.

Now, don't get excited and start looking for your answer sheet from that hunt. We're going a whole different route this year. Besides, the yellow house on the corner has been painted blue, so you can't cheat!

Also, this year Van Wells is helping us plan it. He's done such things before so I'm looking forward to see how he adds to the fun. So, sign up at the next meeting if you haven't yet, or call Greg at 760-532-9877 or email [cathyrising@gmail.com](mailto:cathyrising@gmail.com)

Oh, almost forgot - the club is buying lunch. Bill's BBQ in Kerrville is catering. That'll get you here! Be sure and sign up. We need to know how many to order for. For the hunt, we'll meet at the shopping mall in Kerrville behind JCPenney (across from the post office) at 9:00 am for a 9:30 departure.

*See you there! -Greg*

*P.S. Remember these wacky sights from our last scavenger hunt?*

### Upcoming Events

## Northern KY VMCCA Calendar of Events

The Northern Kentucky Vintage Car Club of America has a full schedule of activities planned for summer. Regular monthly meetings continue on the third Thursday at LaRosa's in Independence, KY, and most Sunday morning a group gathers at McDonald's in Independence.

On Sunday, May 5, there's a car show at Jeff Niceley's business on Dixie Highway in Erlanger. Jeff plans a second show for October 6.

A picnic at the Allens' farm in Walton is planned for Saturday, June 8. A contingent will be heading to Owenton for "Mayberry Day" on June 15. Joanne Flanagan is working on a cruise-in/get-together, date still pending, in Covington for June.

On Sunday, July 14, the group plans a lunch at Ford's Garage Restaurant in Florence.

Tom Flanagan is looking into "1940's Day" at the Cincinnati Museum Center, likely in August or September. And the club knows of many other cruise-ins and car shows over the summer months. It's great to have those old cars out on the road!

## Bluegrass Chapter Tour to Owenton, July 13

The Lexington group's route to Rabbit Hash last month (see pg. 2) went through picturesque Owenton, and the Northern Kentucky group is going to Owenton for "Mayberry Day" June 15. Unfortunately, many of the Bluegrass gang have schedule conflicts that day, so will instead take a drive from Lexington to Owenton for a less busy day, on July 13. The town has a pretty downtown area, nice restaurants, and an interesting historical museum, among other attractions.

Plan on starting from our standard spot at the Griffin Gate Marriott parking lot, 1800 Newtown Pike, Lexington 40511, at 9:30 AM on Saturday, July 13. Please let Clare Oestreicher know by July 9 if you will be joining in – [clare-0@fuse.net](mailto:clare-0@fuse.net) or (513)608-2478. See you then!

### GLR Banquet March 23, 2024

By David Plassman – Photos Dave Plassman, Frank Guzik, and Steve Blakey

Our Annual GLR Banquet was held at the Early Ford V-8 Museum, Auburn, Indiana, hosted by the Summit City Chapter. The Museum was open for us from 9:00 A.M. to 5:00 P.M. to see their Early Ford V-8's. Our lunch buffet was in their new building. Mike Stitt gave tours of the building including the workshop room where they're teaching young people how to repair antique cars, also the rear storage room full of antique vehicles either awaiting restoration or for sale.

At 1:00 in the large Convention Center/Auditorium room, Mike Stitt welcomed the 60 GLR members and guests in attendance, thanking everyone for coming. Summit City members had each of the tables decorated with antique car toys and many pictures of club member's cars. Then we had our lunch buffet. Great lunch, including pie!
