

ALL ABOARD

TEX OMA REGION CAR TOUR

APRIL 21—23, 2022

Come explore the Comanche & Indian Gap Railroad—a 35 acre miniature train club- (1/5 scale). They belong to a national club, just like us and they spend as much money on their trains as we do our cars. We will tour the park on the train, learn railroading and have lunch catered by the Diamond R from Zypher, TX.

Visit a unique car & baseball museum in Cross Plains. A small town with one of the best car museums in the state—funded by the Wood Family. A non-denominational Christian bookstore is located in the gift shop. You are invited to take as many books as you would like. Also, when you make a purchase in the gift shop, they donate your money to a charity.

We will tour Frontier Texas— a museum using holographic technology—one of a handful of museums in the world with this capability.

At the Abilene Zoo you will find 600 different animals to learn about and a leisure scenic walk. The Abilene tour will be lunch and dinner on your own.

Opening & closing banquets will be catered by Pit Master BBQ. (yes the one that's featured on TV cooking shows!)

Trailer parking has been arranged with Tractor Supply (very close to motels). It is paved and lighted and has security cameras but bring a lock! Bring lawn chairs!!
